

General Informations

- Aim:** This symposium celebrates the opening of the Centre Etudes du Comportement (CEC), a new behavioural testing facility in Lausanne. Oral presentations focused on animal models in psychiatry will be followed by a practical demonstration of behavioural testing setups and protocols at CEC
- Venue:** Cery Psychiatric Hospital, Auditorium Müller and CEC
- Organisers :** Fulvio Magara, Françoise Schenk, Benjamin Boutrel
- Registration:** Registration fee is 25 Euros (40 CHF) and includes coffee breaks and evening buffet dinner. Please fill and send by e-mail the registration form.
- Practical demonstrations:** Hands-on displays and descriptions of behavioural testing protocols will take place Saturday morning at the CEC, the behavioural testing facility of the Neuroscience Centre, located on the Cery Hospital site, in the ACACIAS building. Those who intend to take part to the practical session have to mention it on the registration form, specifying in a few lines their research interest. Given the limited number of places available, we advice to register early.
- Posters** Boards will be available to the participants who wish to present a poster. Please indicate this in the registration form.
